

**Press Note from the Chief Editor Speak
Volume 4, Issue 1 (January to April 2026)
Smt. A. J. Savla Homoeopathic National Journal**

Dear Esteemed Colleagues and Readers,

As the principal of Smt. A. J. Savla Homoeopathic Medical College, Mahesana, I am thrilled to announce the forthcoming edition of our e-journal. This initiative stands as a testament to our commitment to the advancement of homoeopathic knowledge and practice.

In our previous issues, we successfully published three insightful articles, which have sparked significant interest and dialogue in our academic community. For our fourth edition, we aim to build on this momentum by inviting fresh perspectives and contributions that reflect the latest developments in homoeopathy.

We welcome submissions that explore innovative research findings, case studies, and reviews that can enrich our understanding and improve clinical practices. Our goal is to create a platform that not only disseminates knowledge but also fosters collaboration among researchers, practitioners, and students.

Thank you for your ongoing support and dedication to excellence in homoeopathy. I look forward to your contributions as we work together to advance our field.

**With warm regards,
DR. Yashvant P Patel
Chief Editor
